Dated Hassan, the 9th August 45

No M.L.C.58/45-46

To

The Additional Secretary to Government,
Bangalore

Sir,

Re establishment for water supply installations

I have the honor to state that the services of operators, drivers etc , are treated as permanent in G O No L 12002/17/M1 163-42-55 dated 12-6-1945 and the scale of their pay has been revised by classifying the installations as class I,II and III according to the annual maintenance charges of each installation but the amount of maintenance charges to distinguish the class of Installation has not been prescribed I therefore request that the minimum and maximum annual maintenance charges of each class of Installation may kindly be fixed

I have the honor to be,
Sir,
Your most obedient servant,
Deputy Commissioner,
Hassan District.

7/

Classification of several Water Installations under the control of the Sanitary Bureau are seen to have been ordered in Government Order No. L 12002-17-M L 163-42-55 dated 12-6-1945, on the basis of particulars furnished by the Sanitary Engineer in the year 1943 Due to various causes the Annual Maintenance costs have recently gone up considerably mainly due due to rise in prices of consumable stores

The Sanitary Engineer, Bureau of Sanitary Engineering, has therefore now suggested the following modified classifications:-

1st class	Installations with Annual Maintenance cost of Rs 9,000/- and over
II Class.	Installations with A M cost from Rs 3,000/- to 9,000.
III Class	Installations with A.M cost under Rs 3,000.

A copy of the Sanitary Engineer's letter is also herein enclosed.

Letter No. 393 dated 1-12-1945 from the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, to the Chief - Engineer for Irrigation in Mysore, Bangalore

---

Water Works Establishment.

With reference to your No 3146/E dated 22-11-1945 forwarding one file of papers relating to the above and calling for an early report, I have the honour to state as follows:-

In letter No. 1118 dated 12-2-1943 from the Sanitary Engineer to the Director of Public Health, copy found in the enclosed file, the necessary classification of water supplies into three Classes has already been made viz.,

Ist Class.	Those with A.M cost over Rs. 6,000
II Class.	Rs 2,000 to Rs. 6,000
III Class	Rsx under Rs. 2,000.

Due to various causes, the Annual Maintenance costs have recently gone up considerably mainly due to rise in prices of consumable stores and therefore it is now proposed as follows:-

I Class.	Installations with A.M cost of Rs. 9,000 and over.
II Class	Installations with A.M. cost from Rs. 3,000 to Rs. 9,000.
III Class.	Installations with A.M cost under Rs. 3,000.

If this method is followed, the various installations in the State can be classified as follows.

I Class	II Class	III Class.
Tumkur	Clospet	Kunigal
Nanjangud	Channapatna	Hosakote
Arsikere	Doddaballapur	Attibele
Shimoga	Saklespur	Doddaballapur-
Chitaldrug	Holenarasipur	Rural Welfare Centre...
Kolar	Konanur	Melkote
Seringapatam	Mudigere	Nagamangala
Krishnarajanagar	Shikaripur	Santhemaranahalli
Hassan	French Rocks	Palahalli
Mandya.	Arkalgud Fort and Petta	
10 only.	12 only.	8 only

"COPY"

The entire file is resubmitted.
